OFFICE OF THE DIRECTOR OF AGRICULTURE,

Bangalore, 27th April *193* 7.

FROM

B. NARASIMHA IYENGAR, ESQ., B.A., PH.D.,
DIRECTOR OF AGRICULTURE IN MYSORE,
BANGALORE.

To

M. Venkatesa Iyengar, Esq., M.A.,
General Secretary to the Government
of Mysore, Bangalore.

SIR,

I have the honour to enclose herewith copy of letter No.H.A.202/36-37 dated 31-3-1937 from the Superintendent, Civil Veterinary Department, submitting the application of Rao Bahadur M.C.Rangaiengar, proposing to donate Rs.5000/- for the construction of three blocks of Veterinary Dispensary at Holenarasipur and adding that if any thing over and above that sum is to be expended for the construction the same may be met out of the budget allotment of the Civil Veterinary Department. Though the rules require that such expenditure should be proportionately divided amongst District Board, Municipal and State funds, yet in view of the fact that the anticipated amount over and above the donated one is expected to be small, I would recommend that the proposal of the Superintendent, Civil Veterinary Department may be accepted and early orders of Government passed on the three points referred to in the letter of the Superintendent under reference.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Agriculture.

kvs:

Letter No.H.A.202/36-37 dated 31st March 1937 from the Superintendent, Civil Veterinary Department, Bangalore.

I have the honour to enclose herewith the letter of Rao Bahadur M. C. Rangaiengar stating that he would donate Rs.5,000/- for the construction of the three blocks of the Veterinary Dispensary buildings as per Government type design. Though the Department estimates are shown as Rs.6,000/- for these blocks, I have known by previous experience that they can well be constructed within the amount generously donated by Rao Bahadur Rangaiengar. Even if it should not however be possible to construct these buildings at Holenarasipur within the amounts donated the small amount in excess can well be met out of the budget allotment of this Department.

I request you to kindly obtain Government sanction very early for

(i) accepting the generous offer of Rao Bahadur M. C. Rangaiengar,

(ii) getting the buildings constructed through the Public Works Department without any supervision charges,

and (iii) naming the Veterinary Dispensary after the donor as "Rangiengar's Veterinary Dispensary".

As the gentleman is desirous that the buildings should come up early, I request you to kindly treat the matter as very urgent.

The Superintendent,

Sir,

Having seen that the Veterinary Dispensary is not located in a suitable building at Hole-narasipur, I have long cherished a desire to provide suitable - necessary blocks of buildings for the use of the sick animals brought to the Dispensary.

I am donoting Rs 5,000/- for this purpose and shall deposit the amount in Hole-narasipur Taluk Treasury in the name of the Amildar.

I request you to take early needful action to have the required blocks constructed out of the said amount.
